Dear Dr. Campos:

In relation to what is indicated in Article 5.2.4.3.1 of Decree 2555 of 2010 regarding the obligation to report relevant information to the Financial Superintendence of Colombia, we provide an update to the relevant information disclosed on May 22, 2025, by means of which the probability of the occurrence of the termination ground of the TIV V-3 issuance was reported. In this regard, we inform that, according to the updated projections of the expected cash flows, there is a probability that on July 14, 2025, the ground for termination of the TIV V-3 issuance may occur, in the following terms:

1. Previous to the TIV V-3 Issuance

The securitization process that gave rise to the TIV V-3 Issuance was carried out on March 14, 2022. Through this issuance, vehicle loans originated and managed by Finanzauto S.A. were securitized. The amount of the issuance was COP 65.520.000.000 as of March 14, 2022, represented in securities with the following characteristics:

Types	Serie	Duration expiry (months)	Effective anual interest rate	Payment method	Amont of the series (COP \$)
TIV A	TIV A 2027	60	8,55%	In arrears	50.700.000.000
TIV B	TIV B1 2032	120	9,00%	In arrears	10.400.000.000
	TIV B2 2032	120	10,00%	In arrears	3.900.000.000
TIV C	TIV C 2032	120	13,00%	In arrears	520.000.000

In the Regulation of the TIV V-3 Issuance it was established that the termination of the issuance takes place (c) when the Total Principal Balance of the TIV V-3 equals zero (0) and the total of the Additional Payment TIV C 2032 has been paid, if applicable.

(i) Event Subject to Relevant Information

Based on the information of the collections and payments of the TIV V-3 issuance known as of the date of this communication, as well as the statistical projections of the cash flow behavior of the vehicle loans that conform the underlying asset of the TIV V-3 issuance prepared by Titularizadora Colombiana in its capacity as administrator of the securitization process, we inform that, according to the expected scenario of the issuance's performance, there is a high probability that on July 14, 2025, the ground of termination of the TIV V-3 issuance occurs. For its illustration, the following figures resulting from the projection of the Securities Balance for the next months are transcribed below:
