Dear Mrs. Perea:

In relation to what is indicated in the article 5.2.4.1.5 of Decree 2555 of 2010 regarding the obligation to report relevant information to the Financial Superintendence of Colombia, we inform your Office about the process of securitization which may include mortgage loans and residential leasing contracts in UVR through the Issue TIPS UVR U-6, to be conducted by Titularizadora Colombiana S.A. In relation to the securitization process, the corresponding procedures will be carried out before the Financial Superintendence of Colombia and the issuance will take place on the date determined in the book building opening notice.

The securitization process will start with the conformation of the Universality as Law 546 of 1999 stipulates. The Universality to be created is called TIPS UVR U-6, which may be formed with VIS and Non VIS Mortgage Credits and residential leasing contracts defined in UVR. From the Universality the securities TIPS UVR U-6, type A (unique series 2037), B (unique series 2037), MZ (unique series 2037) and C (unique series 2037) will be issued.

The Universality TIPS UVR U-6 has a partial coverage mechanism (revolving liquidity mechanism up to 1% of the capital left of the TIPS UVR U-6 Type A) given by the Titularizadora Colombiana S.A. as a coverage destined to pay the TIPS UVR U-6 Type A.

The securities TIPS UVR U-6 will be sell through public offer using the Book Building mechanism for the first batch and Underwriting to the best effort for the second one.

In any case, the final terms of Issue TIPS UVR U-6 will be established in the issuance documents (Prospectus and Regulation) and in the corresponding public offering notice, as applicable.

We remain at your disposal to provide any additional information that may be required.

Cordialmente,

Ricardo Molano León  
Representante legal suplente
