Dear Mrs. Perea:

In relation to what is indicated in article 5.2.4.1.5 of Decree 2555 of 2010 regarding the obligation to report relevant information to the Financial Superintendence of Colombia, Titularizadora informs that the Company's financial statements and the respective universalities as of March 31, 2022 in CUIF format were retransmitted today.

Considering that the retransmission is due to the inclusion of the financial information of the balances as of March 31, 2022 of the *Universalidad* TIV V-3, Titularizadora communicates that the balances of the other vehicles (*Universalidades*) that were retransmitted haven't material adjustments or modifications or of relative importance, but rather it is the inclusion of the referred information made in order to complement the information sent on April 20 of the current year.

We remain at your disposal to provide any additional information that may be required.

Sincerely,

Ricardo Molano León
Alternate Legal Representative
