Dear Dr., Perea:

In compliance with the provisions of article 5.2.4.1.5 of Decree 2555 of 2010 regarding the obligation to report relevant information to the Financial Superintendence of Colombia, Titularizadora hereby informs your Office that the financial statements (CUIF) of the Titularizadora and the *Universalidades* as of December 31, 2022, were retransmitted today.

Considering that the requested modification is due to a recomposition of the balances by type of investment, the Titularizadora states that the financial information of the Company that was retransmitted has no material or relatively important adjustments or modifications, so that the valuation of the securities or the result for the year 2022 is not modified, but rather these are formal modifications made to adjust to the parameters established by the Financial Superintendence of Colombia for the presentation of the financial statements (CUIF accounts).

We remain at your disposal to provide any additional information that may be required.

Sincerely,

Ricardo Molano León

Alternate Legal Representative
